Class Times and Other Information

All in-person classes will start promptly 5:40 PM and end at 6:15 PM. **MASKS ARE REQUIRED FOR YOUR CHILD TO PARTICIPATE IN ALL FACE TO FACE RELIGIOUS EDUCATION CLASSES, NO EXCEPTIONS.**

COVID 19 INFORMATION

All classes and scheduling is subject to change due to the developing situation of COVID-19 within our community. The diocese, pastor, and religious education team reserve the right to change dates or cancel classes as needed to help combat COVID-19. St Joseph's is required to follow diocesan guidelines. In the event that the diocese, church staff, or local health officials advise against in-person classes, all students will be transitioned to at home learning. St Joseph's parish will be mirroring the local school district plan regarding in-person vs at home learning if all classes were to be switched to at home learning.

Empowering Gods Children

In a continued effort to conform with the catholic church's effort to protect minors, the diocese requires ALL children complete the Empowering God's Children lesson plan. This helps children understand what is and is not appropriate behavior from classmates and adults along with educating them what to do if they feel they are in compromised situations.

If West Liberty Community School district cancels classes, religious education classes are cancelled as well.
