Have you ever thought about reading the Bible all the way through? Join us for this unique study unlike anything we've done before.

This study guide will take us through the entire Bible in 40 days - covering major events, learning how everything connects, what happened when, and more.

We will meet three times, but complete most of the study independently. The study guide can be ordered online.

Plan to spend 15-20 minutes per day with a few days for catch up and reflection each week.

Join us for this Lenten journey studying God's story and reflecting on how it impacts our own lives.
